v.

CASE NO: 2:04-cr-79-FtM-33DNF

MICKEY STEVEN COLANGELO

---

**ORDER**<sup>1</sup>

This matter comes before the Court on the United States Probation Office's Petition for Action on Conditions of Release, which alleges that Defendant Mickey Steven Colangelo has violated the conditions of his supervised release. ([Doc. 74](#)). The Undersigned held a hearing on the Petition on April 5, 2018, at which Colangelo was present and represented by counsel. ([Doc. 84](#)).

At the hearing, Colangelo admitted to the Petition's allegations, and the Court found him guilty. Defense counsel requested the Court continue his client's sentencing for sixty (60) days as Colangelo is set to enter a 28-day drug treatment program at SalusCare on April 9, 2018. Defense counsel also requested the Court release Colangelo so he can travel to Jacksonville, Florida to be with family before he enters the program. The Government did not object to releasing Colangelo for drug treatment or to travel to the Jacksonville area, but recommended a third-party custodian.
