Order

Earlier today, the Court heard arguments on Sandler at Bartram Lakes, L.L.C.'s, motion to compel discovery and extend case management deadlines, *Doc. 67*. The Court **granted** the motion to the extent Sandler sought to extend deadlines and will separately enter a second amended case management and scheduling order. For the reasons stated on the record, the Court **denied** the motion to the extent Sandler sought to compel billing records from Comcast, without prejudice to filing a motion to compel or requesting a discovery telephone conference after further discovery on alleged revenue underpayment and after a conference required by Local Rule 3.01(g).

The parties may contact Angela Loeschen at (904) 549-1950 to schedule a discovery telephone conference.

Ordered in Jacksonville, Florida, on January 22, 2019.
