3. An envelope received September 13, 2024 which contains a copy of an envelope sent to Lindberg by the United States District Court for the District of Illinois, a Sanctions Order entered by the United States Court of Appeals for the Seventh Circuit, a copy of an envelope sent to the United States

Attorneys Office for District of Illinois by Lindberg, and copies of several receipts.

4. An envelope received on September 16, 2024, to include a September 10, 2024 letter to the Clerk of Court for the Middle District of Florida, Orlando Division, regarding filings sent to other Courts and various perceived wrongs against Lindberg, and copies of tracking numbers, receipts, and envelopes.

Upon review, there is no apparent basis for making these filings in Lindberg's closed federal cases under the Local Rules of this Court or the Federal Rules of Civil Procedure. To the extent that these filings seek any affirmative relief from the Court, there is no arguable merit to the request(s). And to the extent that Lindberg seeks relief regarding matters pending in other courts outside of the District Court for the Middle District of Florida, this Court lacks jurisdiction to hear matters pending in other courts. Finally, as some of these documents have previously been submitted to the Court and ordered returned to Lindberg, these filings have no arguable merit and should be returned to Lindberg in accordance with the Court's prior directives.

Accordingly, it is **ORDERED** that the documents described in this Order have no arguable merit or are abusive, frivolous, scandalous, or duplicative. The Clerk of Court is **DIRECTED** to return the original documents to Lindberg after

making a copy for the Court and to otherwise follow the Court's directions set forth in 6:21-cv-1372-RBD-GJK, Doc. No. 20.

**DONE** and **ORDERED** in Orlando, Florida on October 7, 2024.
