And the Clerk must inform Mr. Covington which requested documents, if any, are not part of the record in this case.<sup>1</sup>

Copies to: Counsel of Record  
Arnold A. Covington, *pro se*

<sup>1</sup> The Court notes, for example, that in his motion at Doc. 58, Mr. Covington requests a copy of Respondent's response to his motion at Doc. 24. But the Clerk cannot provide a copy of the response because Respondent never filed one (See Doc. 29).
