

**UNITED STATES DISTRICT COURT  
MIDDLE DISTRICT OF FLORIDA  
FORT MYERS DIVISION**

UNITED STATES OF AMERICA

v.

CHARLES BAKOGIANNIS

Case No. 2:22-cr-71-SPC-NPM

---

**CORRECTED REPORT AND RECOMMENDATION  
CONCERNING PLEA OF GUILTY**

The Defendant, by consent, appeared before me and entered a plea of guilty to the offense of possession with intent to distribute cocaine (no threshold amount alleged) in violation of 21 U.S.C. § 841(a)(1) and (b)(1)(C), which is a lesser included offense within Count Four of the Indictment (Doc. 19). After cautioning and examining the Defendant under oath concerning each of the subjects mentioned in Rule 11, I determined that the guilty plea was knowledgeable, voluntary, and supported by an independent basis in fact containing each of the essential elements. I, therefore, **RECOMMEND** that the plea of guilty be accepted, that the Defendant be adjudged guilty of violating 21 U.S.C. § 841(a)(1) and (b)(1)(C), and that sentence be imposed accordingly. The parties have waived the fourteen-day objection period to this Report and Recommendation (Docs. 52, 56).

Respectfully **RECOMMENDED** on February 2, 2023.
