

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
FORT MYERS DIVISION

JAMES ANTHONY BLOW, III,

Plaintiff,

v.

Case No.: 2:23-cv-1094-SPC-KCD

THE STATE OF FLORIDA,

Defendant.

_____ /

OPINION AND ORDER

Before the Court is Plaintiff James Anthony Blow, III's Motion to Appeal Verdict of Guilt, and to Change Sunday Back to the First Day of the Week and from Off the Cross as the Last (Doc. 1), which the Court construes as a civil complaint. Blow is an inmate at the Brevard County Jail, and he brings this action on behalf of the sun. Blow argues the State of Florida violated the rights of our solar system's central celestial body while prosecuting its criminal case against Blow. The Court dismisses this action as frivolous. *See Porter v. Governor of the State of Fla.*, 667 F. App'x 766, 767 (11th Cir. 2016) ("A lawsuit is frivolous if its claims involve factual contentions that are fanciful, fantastic, irrational, and/or delusional."). Because amendment would be futile, dismissal is with prejudice.

Accordingly, it is now

ORDERED:

Plaintiff James Anthony Blow, III's complaint (Doc. 1) is **DISMISSED with prejudice**. The Clerk is **directed** to terminate any pending deadlines, enter judgment, and close this case.

DONE and **ORDERED** in Fort Myers, Florida on December 1, 2023.
