

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION**

STRIKE 3 HOLDINGS, LLC,

Plaintiff,

v.

Case No: 6:24-cv-204-JA-LHP

JOHN DOE,

Defendant

ORDER

This cause came on for consideration without oral argument on the following motion filed herein:

**MOTION: PLAINTIFF’S MOTION FOR LEAVE TO SERVE A
THIRD-PARTY SUBPOENA PRIOR TO RULE 26(F)
CONFERENCE AND INCORPORATED
MEMORANDUM OF LEGAL AUTHORITY (Doc. No.
6)**

FILED: January 16, 2024

THEREON it is ORDERED that the motion is GRANTED.

On January 29, 2024, Plaintiff instituted this copyright infringement action against Defendant “John Doe subscriber assigned IP address 50.89.228.247.” Doc. No. 1. On February 6, 2024, Plaintiff filed the above-styled motion seeking leave

of Court to serve a third-party subpoena on an Internet Service Provider, Spectrum (hereinafter “ISP”) pursuant to Federal Rule of Civil Procedure 26(d). Doc. No. 6. See Fed. R. Civ. P. 26(d) (stating that a party may not seek discovery from any source before the parties have conferred pursuant to Fed. R. Civ. P. 26(f) unless allowed under the Federal Rules, by stipulation, or Court Order). In support, Plaintiff submits the Declaration of David Williamson (Doc. No. 6-1), the Declaration of Patrick Paige (Doc. No. 6-2), the Declaration of Susan B. Stalzer (Doc. No. 6-3), and a proposed subpoena (Doc. No. 6-4).

Plaintiff explains that it has discovered that Defendant’s IP address has been illegally distributing Plaintiff’s motion pictures; the IP address is assigned to Defendant by his or her ISP; and the ISP is the only party with the information necessary to determine Defendant’s identity by correlation with the IP address. Doc. No. 6, at 2, 9–11. So, Plaintiff seeks to serve immediate discovery on the ISP in order to learn Defendant’s identity, effect service, and otherwise prosecute this case. *Id.*, at 2.

A court has broad discretion in managing discovery. *Klay v. All Defendants*, 425 F.3d 977, 982 (11th Cir. 2005). A court may permit a party to conduct discovery before a Rule 26(f) conference. Fed. R. Civ. P. 26(d)(1). Courts usually require a showing of good cause for early discovery. See *TracFone Wireless, Inc. v. Holden Prop. Servs., LLC*, 299 F.R.D. 692, 694 (S.D. Fla. 2014); *Digital Sin, Inc. v. Does 1-176*,

279 F.R.D. 239, 241 (S.D.N.Y. 2012); *Dorrah v. United States*, 282 F.R.D. 442, 445 (N.D. Iowa 2012). Here, Plaintiff has established good cause for early discovery—it has sufficiently alleged infringement and it does not have another way to discover the putative infringer’s identity to proceed with the litigation.

Still, the Court recognizes that the individual in whose name the internet access is subscribed at a given IP address may not be the same individual who engaged in the infringing activity. There is a substantial risk that a non-infringing party could be identified and served. As one court observed:

By defining doe defendants as ISP subscribers who were assigned certain IP addresses, instead of the actual internet users who allegedly engaged in infringing activity, Plaintiff's sought-after discovery has the potential to draw numerous innocent internet users into the litigation, placing a burden upon them that weighs against allowing the discovery as designed.

SBO Pictures, Inc. v. Does 1-3036, No. 11-4220 SC, 2011 WL 6002620, at *3 (N.D. Cal. Nov. 30, 2011) (internal quotation and citation omitted). At the same time, the privacy concerns of non-infringers are not sufficient to deny Plaintiff access to the discovery sought because, without it, Plaintiff cannot proceed with its case. Therefore, certain procedural protections are warranted before any identifying information is made public.

Accordingly, upon due consideration, it is **ORDERED** that:

- (1) Plaintiff's Motion for Leave to Serve a Third-Party Subpoena Prior to Rule 26(f) Conference (Doc. No. 6) is **GRANTED** as set forth in this Order;
- (2) Plaintiff may serve the third party with a Rule 45 subpoena commanding the ISP to provide Plaintiff with the name, physical address, telephone number, and e-mail address of the subscriber associated with the IP address at the time of the alleged infringing activity identified in the Complaint. Plaintiff may also serve a Rule 45 subpoena on any ISP identified in response to a subpoena as a provider of internet services to the subscriber. Plaintiff shall attach a copy of the Complaint (Doc. No. 1) and this Order to any subpoena issued pursuant to this Order;
- (3) If the ISP is a "cable operator" under 47 U.S.C. § 522(5), it must comply with 47 U.S.C. § 551(c)(2), which permits a cable operator to disclose personal identifying information if the disclosure is "made pursuant to a court order authorizing such disclosure, if the subscriber is notified of such order by the person to whom the order is directed," by sending a copy of this Order to the subscriber assigned the IP address. The ISP shall have **21 DAYS** from service of the subpoena to notify the subscriber that identifying information is being sought pursuant to a Rule 45 subpoena. The ISP shall provide a copy of this Order with the notification;

- (4) The ISP shall produce the information sought to Plaintiff no later than **21 DAYS** after notification to the subscriber;
- (5) The subscriber shall have **14 DAYS** from the date of notification to move to quash or otherwise object to Plaintiff's subpoena;
- (6) Plaintiff shall use the information obtained pursuant to the subpoena only for the purpose of protecting and enforcing Plaintiff's rights as set forth in the Complaint;
- (7) Additionally, Plaintiff shall adhere to the following procedures:
 - a) In all written or oral communications with the subscriber, Plaintiff's attorneys shall identify themselves as representing Plaintiff and not representing the interests of the subscriber and must inform the subscriber that any statements made by the subscriber may be used against the subscriber;
 - b) If the subscriber contacts Plaintiff, Plaintiff shall inform the subscriber of the subscriber's right to hire legal counsel to represent the subscriber in this matter;
 - c) At any time, the subscriber may inform Plaintiff by telephone or written communication that the subscriber does not want any further communication with Plaintiff until Plaintiff names the

subscriber as the Doe Defendant and serves the subscriber and in this matter; and

- d) At least **14 DAYS** prior to seeking issuance of a summons from the Clerk that names the subscriber as the Doe Defendant, Plaintiff must notify the subscriber, or counsel if represented, in writing of Plaintiff's intent to name the subscriber as the Doe Defendant and serve the subscriber in this case.

DONE and **ORDERED** in Orlando, Florida on February 9, 2024.

A handwritten signature in blue ink that reads "Leslie Hoffman Price". The signature is written in a cursive style and is positioned above a horizontal line.
